Policies

You are licensing a software product designed for the 2005 California Building Energy Efficiency Standards and/or the IRS Tax Credits. Updates will be made available free on our web site: <http://www.energysoft.com>. Shipping charges apply if you wish the software mailed and sales tax also applies to orders shipped to a California address. User support will be provided free for one year from date of purchase.

We provide free demonstration versions of our software so you can evaluate our product prior to purchase. You are encouraged to try the software before you purchase by requesting a free CD. **Because we do not copy-protect our software, all sales are final.**

We do not allow sale or transfer of your software license to another company or individual.

We do not sell, rent or distribute our user list to anyone. We will use your e-mail address to periodically notify you of important seminars, software updates as well as notable changes to the Standards.

Prices are subject to change without notice.

I have read, understand and agree to, the above EnergySoft Policies.

You may return this form to the address provided below, fax it to the number provided, or e-mail it as an attachment after filling out the interactive form to the listed e-mail address.
