Check Enclosed made payable to EnergySoft

Credit Card (see below)

On Credit Card orders, we do not collect any credit card information to protect your privacy. We will e-mail you a PayPal invoice that you can pay securely online with a credit card or a PayPal account. A PayPal account is not required, be sure to indicate your e-mail .

**Step 8:** Please read our software policies below:

### General Policies –

You are licensing this software for use on a single computer. Please fill out Page 3 of this form for Additional Seats.

California Compliance modules are designed for compliance with the **2008 California Building Energy Efficiency Standards**.

ASHRAE 90.1 Compliance modules are designed for compliance with the **2004 or 2007 ASHRAE 90.1 Standards (Appendix G)**.

LEED modules are designed for use with **LEED-NC v2.2, LEED-CS v2.0 and LEED 2009 (v3)**.

Updates will be made available free on our web site.

We provide free demonstration versions of our software so you can evaluate our product prior to purchase. You are encouraged to try the software before you purchase by downloading our demonstration version. **Because we do not copy-protect our software, all sales are final.**

**We do not allow sale or transfer of your software license to another company or individual.**

We do not sell, rent or distribute our user list to anyone. We will use your e-mail address to periodically notify you of important seminars, software updates as well as notable changes to the Standards.

Prices are subject to change without notice

### Support Policies –

Support services will only be provided to the registered user.

Installation support is available free for 30 days from date of purchase via telephone at (415) 897-6400 x315.

Operational support is available free via e-mail for one year from date of purchase at [support@energysoft.com](mailto:support@energysoft.com).

Free training seminars on the software are available on our website at [www.energysoft.com](http://www.energysoft.com).
